4	jobs previously performed by employees of the applicant in
5	Indiana.
6	(2) The applicant's project is economically sound and will
7 8	benefit the people of Indiana by increasing opportunities for employment and strengthening the economy of Indiana.
9	(3) The political subdivisions affected by the project have
10	committed significant local incentives with respect to the
11	project.
12	(4) Receiving the grant or loan is a major factor in the
13	applicant's decision to go forward with the project, and not
14	receiving the grant or loan will result in the applicant not
15	creating new jobs in Indiana.
16	(5) Awarding the grant or loan will result in an overall
17	positive fiscal impact to the state, as determined using the best
18	available data to the corporation.
19	Sec. 11. The corporation, with the approval of the board and the
20	budget agency, shall determine:
21	(1) the amount of the grant or loan to award for a project;
22	and
23	(2) the terms and conditions under which the grant or loan is
24	awarded.
25	Sec. 12. Before a distribution of a grant or a loan may be made
26	from the fund, the budget agency must approve the grant or loan.
27	After approval by the board, the corporation shall submit its
28	recommendation concerning a proposed grant or loan to the
29	budget agency in the form and in the manner specified by the
30	budget agency. The budget agency shall review the
31	recommendation and submit the recommendation to the budget
32	committee for review. After review by the budget committee, the
33	budget agency may approve, deny, or modify the recommendation.
34	Sec. 13. A grant or loan may not be made to provide a recurring
35	source of revenue for the normal operating expenditures of a
36	project.
37	Sec. 14. In determining the amount of the grant or loan that
38	should be awarded to an applicant, the corporation and the budget
39	agency may take into consideration the following factors:
40	(1) The economy of the county where the projected investment
41	is to occur.
42	(2) The potential for the growth of the applicant's business in

1	Indiana and the impact of the project on the economy of
2	Indiana.
3	(3) The number of jobs and the incremental payroll
4	attributable to the project.
5	(4) The capital investment and investment in intellectual and
6	other intangible property that is attributable to the project.
7	(5) The proposed:
8	(A) number of Indiana employees with the project who will
9	earn at least one hundred fifty percent (150%) of Indiana
0	per capita personal income;
.1	(B) average wage that will be paid to Indiana employees
2	with the project who will earn at least one hundred fifty
.3	percent (150%) of Indiana per capita personal income;
4	and
.5	(C) average wage payable by the applicant to all Indiana
6	employees with the project.
7	(6) The costs to Indiana and the affected political subdivisions
8	with respect to the project.
9	(7) The financial assistance and incentives that are otherwise
20	provided by Indiana and the affected political subdivisions.
21	Sec. 15. Whenever a grant or loan is awarded to an applicant,
22	the corporation shall enter into an agreement with the applicant.
23	The agreement must set forth:
24	(1) the obligations of the corporation and the applicant;
25	(2) the terms and conditions under which the grant or loan is
26	awarded to the applicant; and
27	(3) the remedies available upon default.
28	The agreement must specify that the agreement is binding on the
29	applicant and the applicant's successors.
0	Sec. 16. An agreement may provide that repayment of a loan
31	granted to the applicant is partly or fully waived upon the
32	completion of one (1) or more conditions specified in the
3	agreement.
34	Sec. 17. An agreement may provide that if the applicant defaults
55	on the terms and conditions specified in the agreement, the state
66	may offset any amount that would otherwise be due from the state
37	to the applicant against any amount owed to the state for a default
8	under the agreement.
9	Sec. 18. Subject to the terms of an agreement with an applicant,
10	a grant or loan may be used for any of the following purposes:
1	(1) Payment of expenses incurred by the applicant or another
12	entity in training employees who reside in Indiana and will be

1	employed in the project.	
2	(2) Payment of relocation expenses incurred by the applicant	
3	that are directly attributable to the project, including the cost	
4	of maintaining another facility in Indiana or another state	
5	until the facilities for the project are placed in service for a	
6	project.	
7	(3) Payment of costs incurred by the applicant to purchase or	
8	pay lease rental payments on a capital lease for new or	
9	replacement equipment for the project.	
10	(4) Payment of property assembly and development costs	
11	incurred by the applicant for the project, including:	
12	(A) the purchase, lease, or construction of buildings and	
13	land;	
14	(B) infrastructure improvements;	
15	(C) site development costs; and	
16	(D) design, survey, and other planning costs.	
17	(5) Payment of any capital investment costs incurred by the	
18	applicant for the project.	
19	(6) Payment of costs for improvements incurred by the	
20	applicant or another person related to transportation and	
21	access to the project.	
22	(7) Payment of the principal and interest on bonds or loans or	
23	the establishment of a reserve for bonds or loans issued to pay	
24	any cost described in this section.	-
25	(8) Payment of the costs of obtaining a license to use a patent	
26	or other intangible property in Indiana at the project.	
27	Sec. 19. The corporation may adopt rules and guidelines to	
28	implement this chapter.	V
29	Sec. 20. The corporation shall annually report to the general	
30	assembly in an electronic format under IC 5-14-6 the details and	
31	status of all grants and loans made under this chapter, including	
32	the identity of the recipients of grants or loans. The corporation	
33	may redact any private proprietary information reasonably	
34	necessary to preserve the intellectual property rights, proprietary	
35	business practices, and legitimate trade secrets of a recipient of a	
36	grant or loan.
